

K97.5 has been the Triangle favorite radio station for 25 years, but did you know we also provide DJ services for local area parties and event functions?

That's right. When you have a special occasion--corporate event, wedding reception, special family gathering—count on one of K97.5 DJ's to make it memorable.

Invite us to your party. You'll be glad you did. For more information contact Travis Gales 919-863-4825 or email us at [tgales@radio-one.com](mailto:tgales@radio-one.com)
